SOCIAL RESPONSIBILITY

AS Global will aim to become an open company that will gain the trust of shareholders, customers and local communities, while contributing to society through sustainable growth.

AS Global mainstay is to market two main products.

- Air Freight
- Ocean Freight

Air Freight

We provide a complete package of air freight solutions as our unique customers focus on premium service as we mostly cater for garments suppliers. We customize our services to suite the requirement of our customers and provide real time tracking for all their shipments.

Our Air Services

- Airport to Airport
- Door to Door

Ocean Freight

We offer a wide array of ocean freight services including ocean freight forwarding and consolidation. We use our relationship with the shipping lines to offer comprehensive service coverage to our customers. Our logistics services cover not only shipments from port to port, but also the complete door-to-door supply chain solution.

Our Ocean Services

- FCL and LCL import and export
- Issuance and verification of shipping documentation
- Export and import customs clearance
- Warehousing logistics

We strongly believe that our customer gets the value for their money with our committed service to delivery their shipment on time.
